How we make Magic?

We have fully qualified Audio Engineers, backed with Bachelors in Studio Production.

Our equipment is professional grade, we use; NT2A Microphones, Pro Tools, Waves Plug-ins, Izotope RX post processing to provide the best quality audio.

Podcasting

At Magic Studios we can record and produce high quality Podcasts that include introductions, segments and set pieces.

Guidance - *I wanna hold your hand...The Beatles*

For those that are new to the world of Podcasting, we offer help every step of the way. We can help record content that engages with your target audience whilst your audio brand persona shines through.

Compliance – *The bitterness of poor quality remains long after the sweetness of low price is forgotten...Benjamin Franklin*

We ensure that the final product quality will be audio format compliant and exceed the minimum conformity for all the major distribution platforms including Audible, Apple, and Spotify.

Reliance - *Never gonna give you up...Rick Astley*

We guarantee that when you record with Magic Studios for your Podcasting projects, we will deliver a professional product on time, every time!

Priced from **\$120 +gst per hour** for a standard Podcasting Production.

Audio Books

Audio books are increasingly popular as people love to hear a good story but are often time poor. At Magic Studios we understand that the story teller can bring books to life with the right use of voice narration. Prices start at **\$2900** for an average book size of 40,000 – 50,000 words, E.g. The Notebook POA. Contact us today to discuss your needs.

Testimonials

"Incredibly easy people to do business with. Listened to what we needed (not sell us what they thought we wanted), quick turnaround on package, and were only too happy to make minor alterations and tweak our messages to suit our phone provider. Cannot recommend this company enough" *Craig Atwell*

"On behalf of Little Green Pharma we cannot rate this business highly enough. The service standards, attention to detail, quality recording outputs and speed with which they deliver is amazing. Thank you Jason and your "Magical Team" for a wonderful and friendly experience" *Viv & Warren*

"They have state of the art facilities with a diverse and professional talent pool. The studios specialise in most voice over recordings including YouTube clips, E-learning, documentaries, corporate presentations, character voices, TV and Radio. You can even come in do your own recordings. Great rates and even better service" *Paul Jones*

"Connect-to has used the services of Magic Studios on a number of occasions and have always found them to be extremely professional, cost effective and great people to work with. Their range of talent is diversified suiting all forms of communication formats. I recommend Magic Studios to you" *Ronald Shearwood*

"We've been pleased to use the professional services of Magic Videos in West Perth for our corporate video and voice over production work. They have been very assistive in the process, with quick turn around, and very high quality production work" *McArthur Skincare*
